INTERIOR:

G 200 serial number 179 features a comfortable 9 passenger interior configured in a forward four place club seating arrangement with pull-out executive tables and an aft cabin two place club group opposite a three place berthable divan that is certified for take off and landing. The seats and divan are finished in French Vanilla colored Erdman leather. The high gloss finish woodwork is perfectly complimented with brushed satin nickel plating. The cabin entertainment and information system includes a multi-disc DVD and moving map - both of which can be displayed on either or both forward and aft bulkhead mounted monitors. The full-width lavatory aft of the passenger cabin is separated by a bulkhead with sliding pocket door and includes a storage closet and custom vanity with wash basin. The forward, full-service galley includes a TIA Microwave Oven, coffee maker, sink, and ample storage.

The in-flight passenger connectivity is provided by the 2-channel Iridium SAT-COM system. Additional amenities include LED lighting, dual USB ports and 110VAC outlet at each club seat
